Principal's Report

Welcome to Week 3!

Cross Country

I would like to congratulate our cross country runners who did a fantastic job at Angaston Oval last week! Everybody had a 'can do', confident mindset and had fun all day. I would like to give special mention to Isabella Adams, Willow King, Aria Adams and Joseph Pickett who all made it into the top 20 runners.

Camp

There are quite a few sleeps left till we go on camp at the end of the term. Please remember, if you feel the cost of the camp might be difficult for you, please come in and see Sally, Skye or me and we will be very happy to talk to you about a payment plan. However, you must come and see us early. Payment plans will not be available after June 1.

New Fence

Last week, we had a number of people out measuring the school boundaries. This is because we will soon be getting a brand new fence. At this stage, the new fence is expected to be built in the next school holidays. The new fence will be black, tubular (pool) fencing which will look much smarter than our old fence!

OSHC

Much work has been going on behind the scenes on our new OSHC. Tenders closed recently and we should be in a position to know who the successful tenderer will be in the near future. If all goes to plan, our new OSHC will be ready to start at the beginning of Term 4. It will provide after school care (not before school care at this stage), pupil free day, early dismissal and vacation care.

Welcome

I would like to welcome Mikki Davey who is working at our school this week for her work experience practicum. Mikki is a past student of Springton Primary and it's great to have her back with us again! I'm sure she will learn a lot over the week.

Thank you

I would also like to thank Deb Mitchell who has been volunteering her time at Springton in an SSO capacity. Deb is building up her hours of practical experience towards her Certificate III in Education Support. Deb is thoroughly enjoying her time with us and we very much appreciate the work she has done with class teachers.

Governing Council Meeting

Finally, I would like to remind the Governing Council that we have a meeting this Wednesday at 7:00 in the Library. There will also be a Finance Committee Meeting at 6:30 in my office.

Kind regards,

Michael
