Principal's Report

Welcome to Week 6!

Assembly

Well done to the Junior Primary Class who did a great job at last week's Assembly! Our next Assembly is on Friday, 13 April at 1:30.

Clean Up Australia Day

Springton Primary School is observing Clean Up Australia Day this Thursday, 13 April. Both classes will be donning gloves, grabbing a Clean Up Australia rubbish sack and heading out of the school gates to make sure our town is spick and span! Notes and permission forms are going home about this today.

Premier's Be Active Challenge

Springton Primary School

Welcome also to Faith who was absent for last week's newsletter.

SRC

Democracy is certainly in the air at the moment. At Springton Primary, we will be electing our SRC (Student Representative Council) members this week. This year, there will be one representative elected from each year level. The SRC is an essential part of student governance in schools and is a great way for students to develop leadership skills. Some of the things the SRC will be involved in are fund-raising, running assemblies, organising activities at lunch time and recess and acting as a student voice in the school newsletter. Elections will take place tomorrow in a secret ballot. Our staff SRC Coordinator, this year, will be Skye Keller. If you have any enquiries about the SRC process, please contact Skye or myself.

Tell To Ask

This Friday, our Tell to Ask Group will be joined by their counterparts from Mt Pleasant Primary. They will be meeting to discuss what Tell to Ask will look like in both our schools in 2018. You may remember that Tell to Ask is all about students being teachers and that better teaching happens through questioning instead of simply telling the answer. Our Tell to Ask Team practised their new skills at Gumeracha Primary last year when Springton students taught Gumeracha students all about robotics. The Team also taught our Governing Council about intellectual stretch and why it is important.

Public Holiday

Finally, I would like to remind everyone that next Monday, 12 March is a public holiday. I wish everyone and enjoyable and safe long weekend!

Regards, Michael
